

**STRATEGIC PLAN
2016-2020**

vision

Tasmanians working together for a just, peaceful
and sustainable world future.

purpose

To provide ways for schools, workplaces and the
Tasmanian community to learn, connect and act together
for positive social change; through innovative education
programs, training, mentoring, resources, and access to
support networks.

aims

Be a leader in the
promotion of
education for social
justice and human
rights.

Develop and deliver
programs that contribute
to a just, peaceful and
sustainable world future.

Work collaboratively
with others who
share our vision.

strategic priorities

Build financial
sustainability.

Pursue
opportunities for
collaboration.

Extend our impact
in schools and the
wider community.

Operate as a
learning
organisation.
