

Want to apply for a grant under the National Solar Schools Program?

Already applied but need help?

We can provide FREE assistance with:

- Applications and reporting
- Ideas for projects
- Gathering quotes
- Identifying permissible installations
- Renewable Energy Credits paperwork
- Liaising with suppliers and consultants
- Incorporating the project in your curriculum
- School visits in the Greater Hobart area (includes Clarence, Brighton, Glenorchy, Hobart and Kingborough) to discuss options or provide a presentation to students, staff, parents, friends and community

Sustainable Schools Support Service
